Dear Parents,

We hope you are safe in this COVID-19 pandemic period as we earnestly pray God to continue to bless and protect you all. Reflecting on the lock down and its implication on academics, we are pleased to inform you that the University immediately launched an online lecture program for scholars and since then lectures have been going on. You should encourage your ward or scholar to join the online program. Tests will be conducted which will be used cumulatively.

Given this and the need for the University to seamlessly run her activities, we wish to request you to pay up all outstanding scholar's fees. This implies that if you are yet to pay up 70% and/or the remaining 30%, the University wants you to pay up the entire 100% of the fees immediately.

Please, once you make the payment, boldly indicate on the teller, the scholar full names, course and level; snap and send on WhatsApp to 08068106708. This will enable us confirm payments, issue receipts and process clearance for the scholars before resumption.

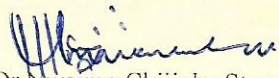

Take note that the University has re-allocated banks for payment of fees as follows:
